

SPOTLIGHT ON Viele Menschen auf der Welt sprechen Englisch. - Wir auch!

Ali

Kaser

We were born in Germany and we live in Berlin. Our hobbies are playing football and watching football matches. Later we will be football players. We will earn a lot of money.

We will travel around the world to play football in all the football stadiums.

When we grow up we will still live in Berlin. We will have fantastic families. Then we will buy expensive cars and we will buy nice houses, too.

I was born in Macedonia. I moved to Germany last summer. At home my parents speak Macedonian.

My hobbies are music and films. When I grow up I will be a manager or a nurse. I will earn a lot of money.

I will have a lot of fun with my friends. I will have a big house and a dog. I will have a family with two children, a girl and a boy. I think I will live in London.

At the time my best friends are May Lou, Merve, Viru and Suzan. My favourite colours are red and blue. I like penguins and dogs best. I like these animals because they are cute. My favourite singer is Hannah Montana. I like her because she has a nice voice and because she is a famous singer.

Gzime

I live in Berlin. When I grow up I will be an interior designer or a hotel manager together with my friends.

I will have a cat and enough money for my life. Of course I will have my A-level certification and a big house. I will live there with my three children, one boy and two girls.

My favourite singer is Bruno Mars. I would like to go to one of his concerts very soon and get him to sign the ticket for me.

Merve

My name is Thao-Linh and I was born in Germany but my family is from Vietnam. When I grow up I will live in Germany or in Vietnam. Perhaps I will be a stylist then, I don't know yet.

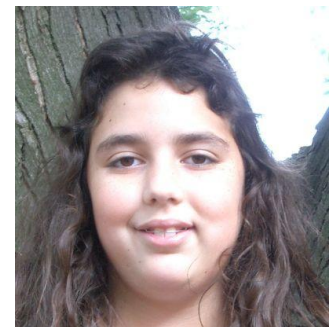

But I will have enough money for me and my family. And I will have a pet, a small and cute puppy or a cute little hamster. I would like to have great friends who will always help me.

I was born in Berlin in Germany but my mother comes from Russia and my father from Turkey. At home I speak Russian and sometimes German.

When I grow up I will take part in a Safari in Africa because I would like to see a lot of places in the world. I will do many different things in my life, for example get to know many beautiful sights. I would like to visit the Empire State Building, the Colosseum, the Tower of Pisa and many things more.

And I am sure that I will have a family and we will live in a big house.

Susi

Hi, I'm Virusanka.

I was born in Germany. Now I'm twelve.

My parents are from Sri Lanka. I speak Tamil with them but German with my brother and sister. When I was ten I moved from Germany to England. I lived there with my family for half a year. Then we returned to Germany.

My hobbies are music, facebook, shopping and detective books. Purple is my favourite colour.

When I grow up I will be a doctor. I will earn a lot of money then. I will have a cute dog and I will still live in Berlin and have a lot of fun with my friends.

At the moment my best friends are Merve, Susi, Gzime and May.

When I grow up I will have my Abi. I will have a good job and earn a lot of money.

I will live in a big nice house with a big wonderful pool. I will have a fantastic car and a great family. I will buy a pet for my children, perhaps a rabbit or a cat. And I will buy them a lot of toys and play with them.

I will have many friends and I will travel around the world.
