Welcome to Allegro-primary-school

In our school everybody is responsible for his or her own behaviour. Each pupil has equal rights and duties. We all want to feel good and be able to learn undisturbed.

Therefore I respect:

I am friendly and helpful.

I respect others and I take care.

I listen to others.

I am punctual. I keep to the house rules.

At school I speak German, if possible, so everybody can understand me.

I treat things carefully. I only take things which don't belong to me if the owner has allowed it.

My own work material (books, exercise books, folders, pencil case sports wear) has to be complete and ready for use. I treat it carefully.

I behave well in the school building (classroom, halls, toilets etc.) and on the school campus. I don't destroy anything. I don't stain or dirty walls.

In the school building I behave quietly. I don't run. I don't play with a ball.

I don't offend or insult anybody.

I don't use physical violence against anybody (push, beat, kick, bite, throw with sand...).

In case of problems or disputes I ask the school staff for help. We speak about conflicts and solve them peacefully.

The mobile phone is switched off on the school campus and in the school building during school and care time.

Dangerous items are not allowed at school.

I'm not allowed to chew chewing gum.

I keep to the rules: _____
